

# Memorandum of Understanding For Energy and Environment sector

## *PREAMBLE*

This Memorandum of Agreement was prepared by the project partnership of the Chain Reactions project as Output O.T4.3: **Thematic transnational exploitation plans and open collaboration spaces**, in order to set up the open collaboration spaces and ensure the post-project implementation of exploitation plans prepared within the project duration.

This Memorandum of Agreement is made between

R-Tech GmbH, Franz-Mayer Str.1, 93053 Regensburg, Germany (R-Tech)

and

Štajerski tehnološki park d.o.o., Železnikova ulica 4, 2000 Maribor, Slovenija (STP).

The purpose of this Memorandum is to agree upon the terms and conditions, scope of work and responsibilities for future collaboration in the Energy and Environment sector as agreed between the signatories in the Transnational Exploitation Plan (TEP included in Annex 1) prepared within the Chain Reaction Project. This Memorandum is not a legally binding document; however, it expresses to good will and intention of both parties to cooperate in future endeavours.

## *AGREEMENT*

The signing parties see the benefits of jointly implementing the activities set up in TEP of this project, have a desire to pursue the set activities and thus ensure the sustainability of the Chain Reaction projects outcomes.

R-Tech from the DE232, Regensburg, Kreisfreie Stadt will ensure the continuation of activities and will proactively promote the transnational collaboration in the Energy and Environment sector as part of the transnational innovation agenda.

STP from the SI032, Podravska will ensure the continuation of activities and will proactively promote the transnational collaboration in the Energy and Environment sector as part of the transnational innovation agenda.

By this, both partners have established a collaboration space that will ensure a joint effort in implementation of TEP.

Both partners agree to keep expanding the network of potential interested parties that will contribute to the implementation of the TEP, thus ensuring the openness of the collaboration space.

**CHAIN REACTIONS**

Both partners agree to actively search for funding opportunities in order to implement TEP. Furthermore, they agree to involve the stakeholders of the collaboration space into implementation of TEP and actively search for additional stakeholders, who could further contribute to the TEP implementation.

**FUNDING**

Each of the signatories will use their own resource, or ensure funding for the implementation of the activity of proactively promoting the cooperation in TEP within their respective region and to support the implementation of activities agreed to be conducted as TIA within the TEP.
