CITY FROM OUR DREAMS - VISTULA RIVER PARK

TECHNICAL ANALYSIS D.T3.1.1

- What do we need to build
- How long this will take
- What will be the cost
- How will the "end product" look like (visualization)

LEGAL ANALYSIS D.T3.1.2

- What will be best PPP formula for our project?
- Who is our dream Private Partner for the project?
- What are the potential legal threats in our project?
- What have to be done to make project happen?

FINANCIAL AND RISK ANALYSIS D.T3.1.3

- What will be the real cost of implementation of Integrated Built Heritage Revitalisation plan?
- How much income / profit will generate implementation of IBHRP?
- Will cost of IBHRP let PPP partnership happen?
- What do we need to change in order to let PPP partnership happen?
- Where are the risks?

MEETING WITH POTENTIAL PPP INVESTORS D.T3.1.4

- Project presented by Ministry of Development as an example of good approach to PPP projects
- Authentic interest in the project on investment fair in Poland (Investate Poland Fair)
- Study visits in cities where PPP was implemented (unique opportunity to meet everyone involved in projects like in Gdańsk)
- Presence on biggest Polish real estate fairs Real Connect

SUMMARY REPORT FROM PILOT ACTION IN NOWY DWÓR D.T3.1.5

- Tool for other municipalities thinking about PPP implementation
- Summary of all conclusions from Work Packages
- Answer to the main question is this doable?

THANK YOU!
