I benefici ottenuti (%)

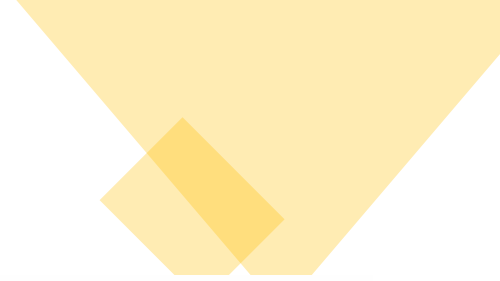

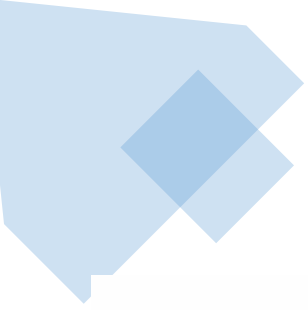

Fonte: Indagine Laboratorio Manifattura Digitale, Università di Padova su 55 imprese italiane che hanno sviluppato importanti progetti di economia circolare

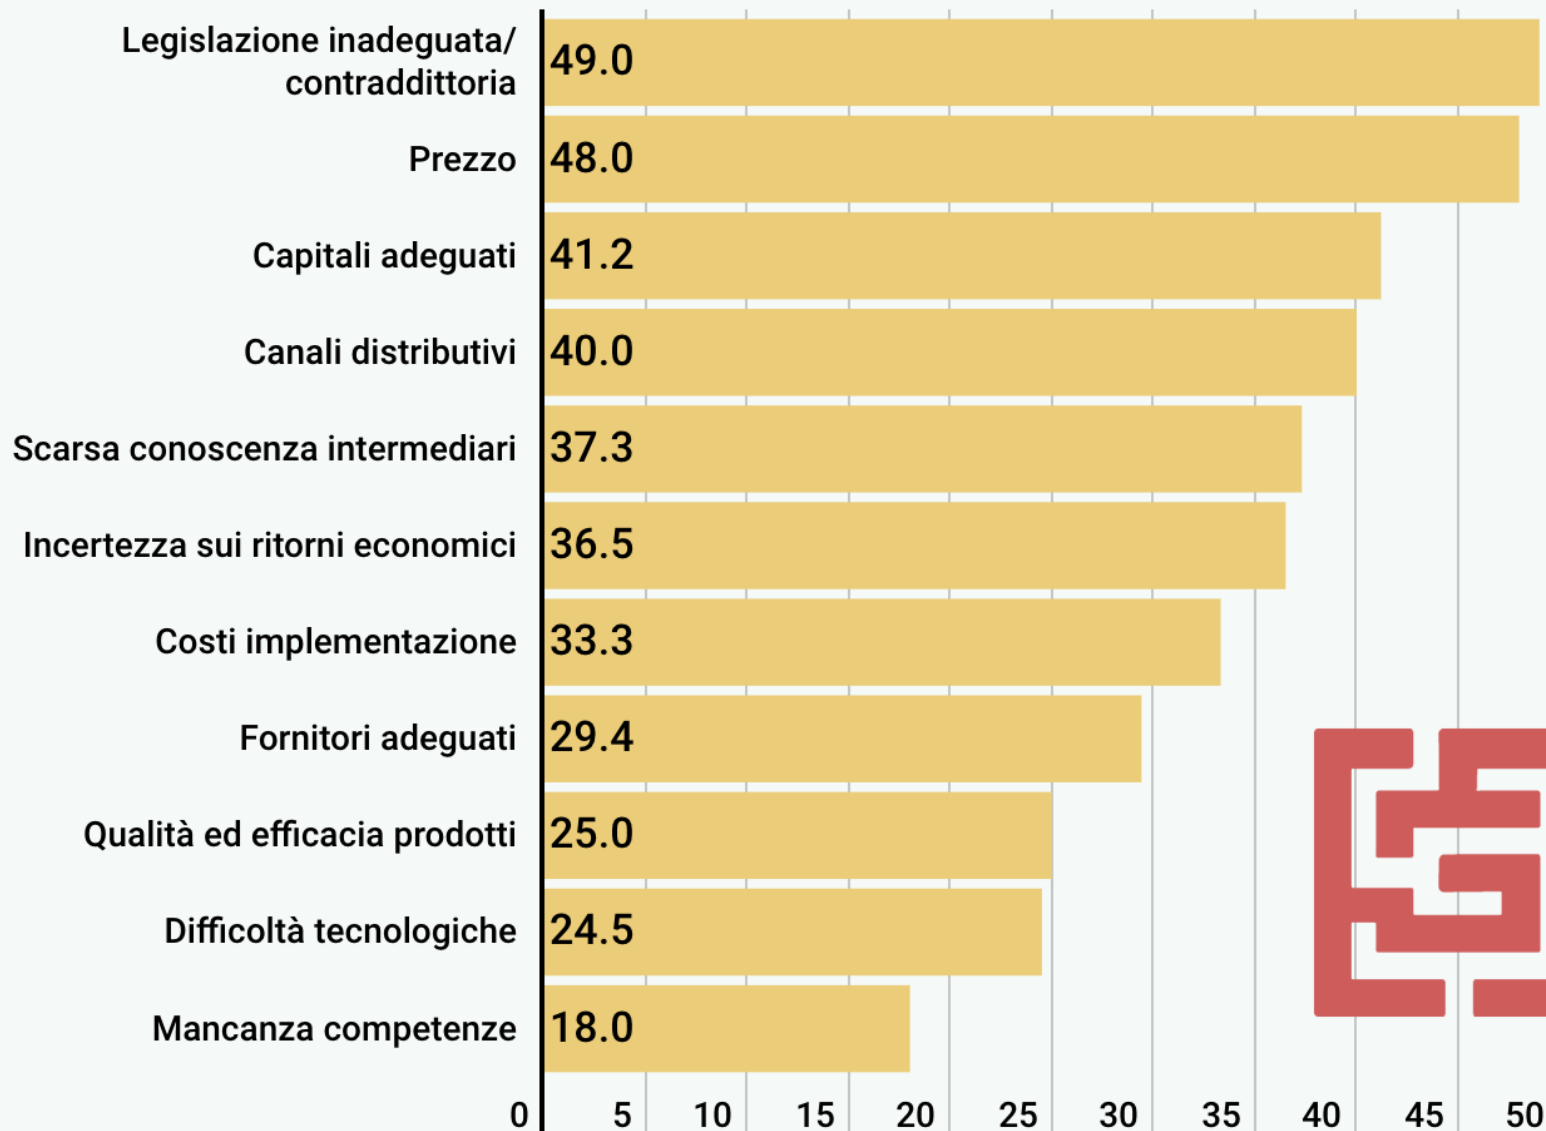

Gli impatti sull'occupazione

Fonte: Indagine Laboratorio Manifattura Digitale, Università di Padova su 55 imprese italiane che hanno sviluppato importanti progetti di economia circolare

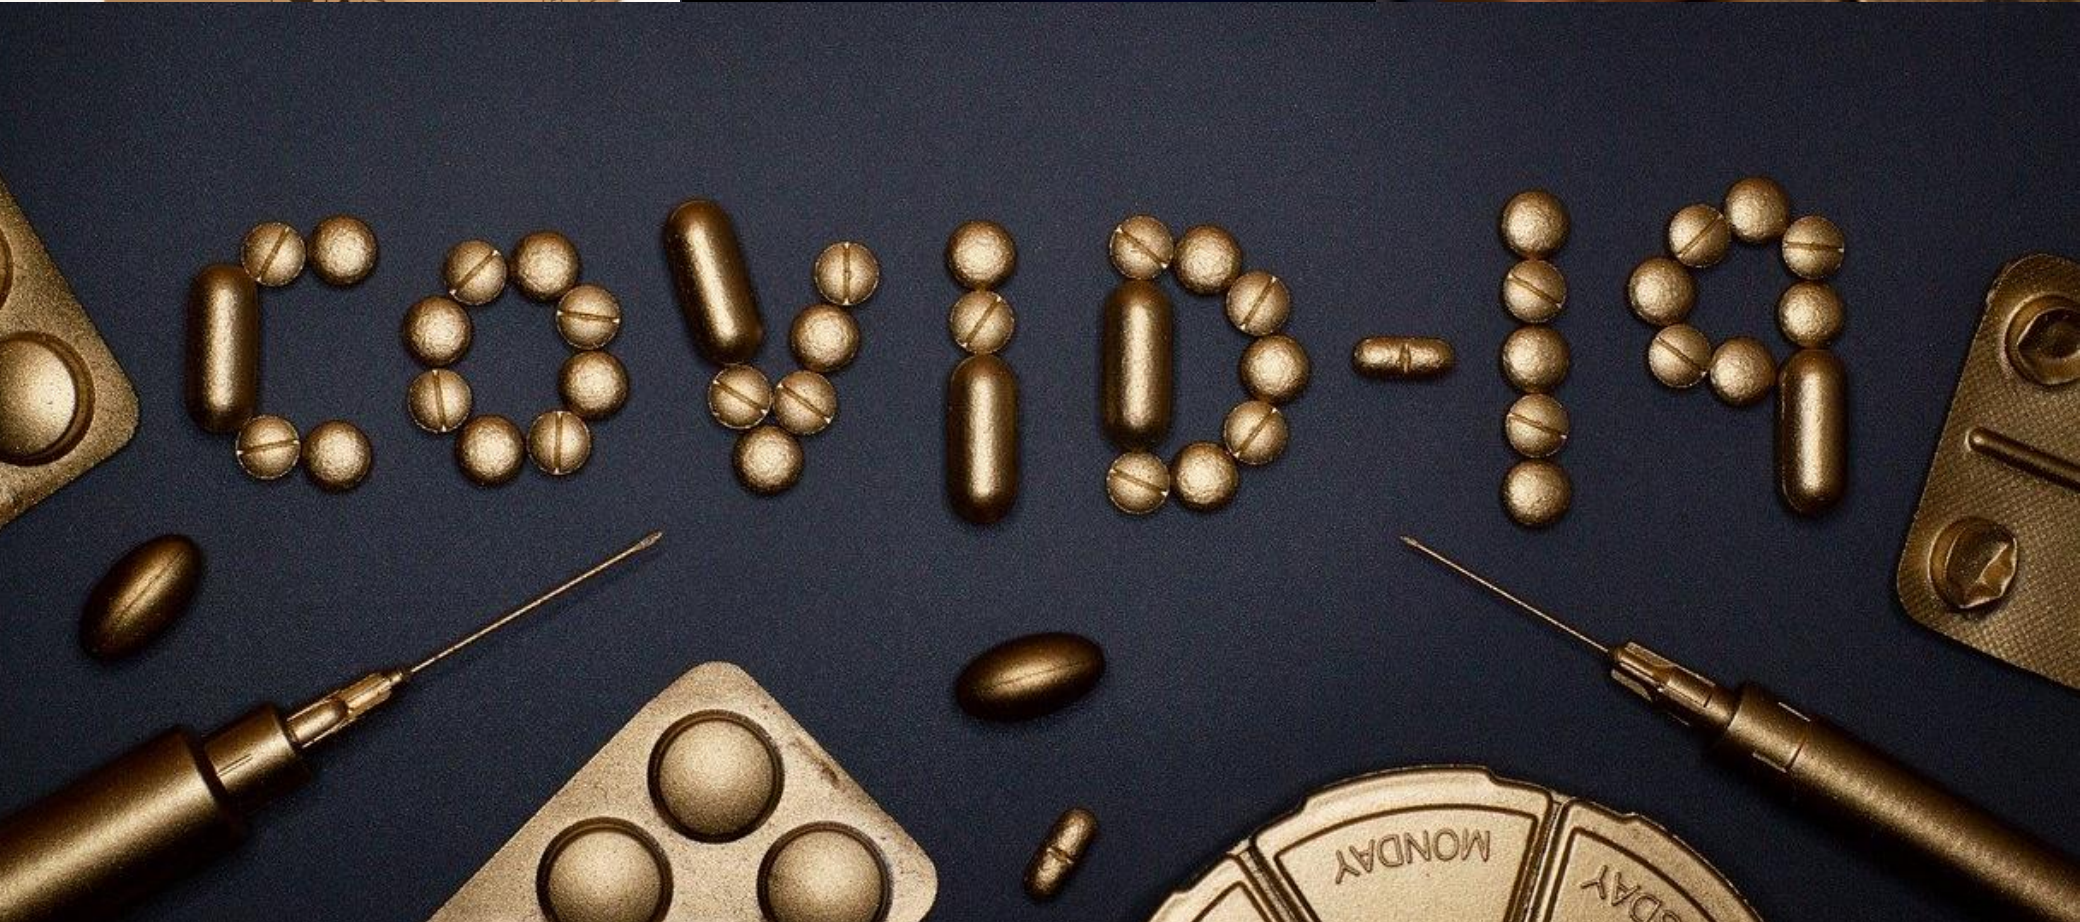

Le difficoltà percepite (%)

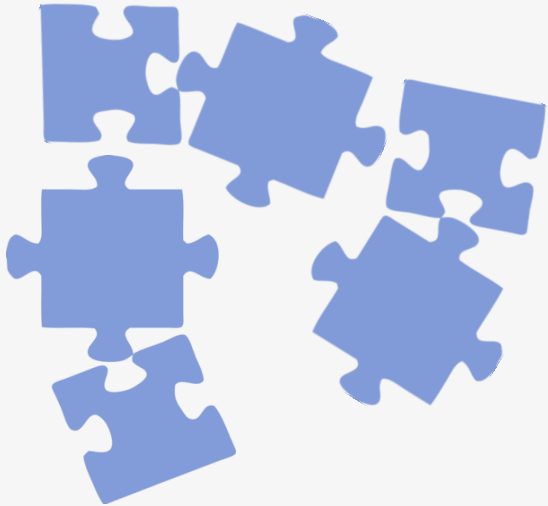

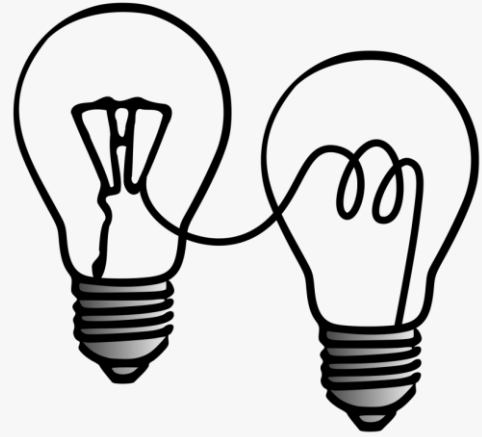

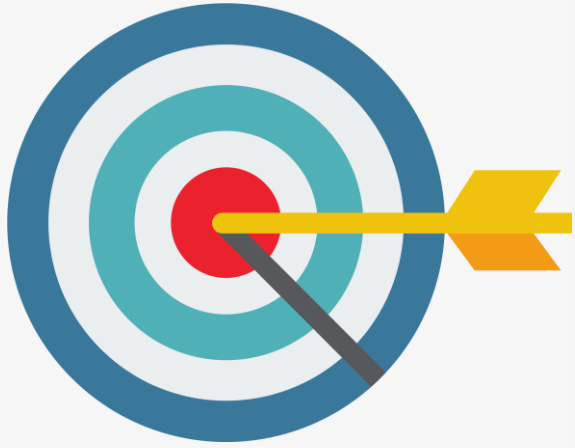

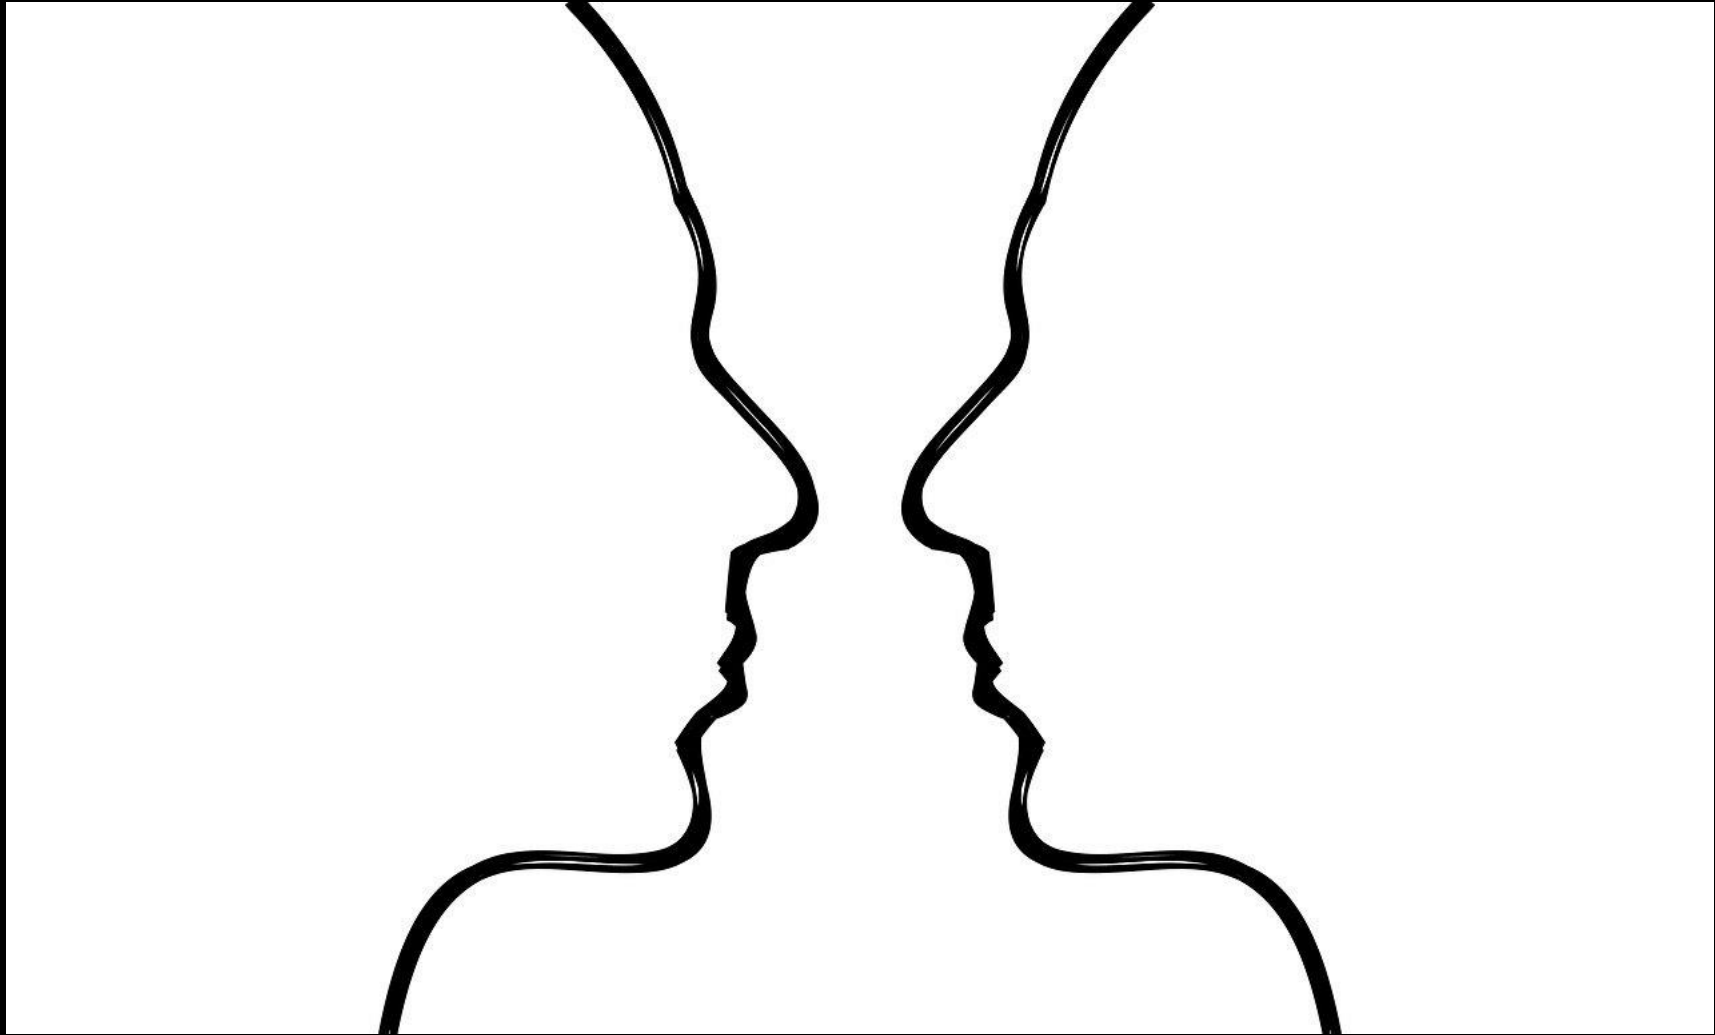

Fonte: Indagine Laboratorio Manifattura Digitale, Università di Padova su 55 imprese italiane che hanno sviluppato importanti progetti di economia circolare

THE PRELIMINARY ROUND

It doesn't matter how many resources you have.

If you don't know how to use them,
it will never be enough.
