

# Final Conference Workshop

March 2022

---

## Summary

On March 24th the final congress of CereDee took place in Porzellanikon, Selb. In this two-part congress, the first half started with a press conference transitioning into a general conference with workshops for stakeholders.

One of the main outcomes of this project is the launching of the digital platform Ceramics in Europe which aims to develop a unique network amongst ceramists, knowledge institutes, SMEs, regions, and museums of Europe. The website can be accessed here [www.ceramicsineurope.eu](http://www.ceramicsineurope.eu)

The final conference workshop basically talks about this platform as an info portal for ceramics. The following names are the speakers from CerDee respective partners:

1. Monica Gori, International Ceramic Museum in Faenza (MIC Faenza)
2. Univ. Prof. H. S. Moritsch & A. M. Hoke, New Design University Privatuniversität St. Pölten
3. S. Rudolf, National Museum of Slovenia
4. Nigar Zahan, Technische Universität Ilmenau (TUI)
