... 2 DIFFERENT PILOT ACTIONS...

NEW ALTERNATIVES TO IMPROVE ACCESS:

- Free shuttle service
- E-bikes rental
- Restoration and securing of the path from Tagliole to Lake Santo

PP01: EMILIA ROMAGNA REGION EMILIA CENTRALE PARKS AUTHORITY

OUTPUT AND FUTURE

- the importance of collaborating and working in a network and to share the results of the monitoring with all the local stakeholders;
- the possibility to replicate the Pilot Actions with their monitoring tools for the acquisition of data related to the conservation of habitats of other Protected Areas.

The Sustainable Tourism Action Plan focus on CEETO Project is become the basis for the adherence to the European Charter for Sustainable Tourism (ECTS) undertaken in April 2019.
