

# NEWSLETTER

Christmas time is here again and we hope you enjoy our last newsletter for 2016 with Beatles-inspired headlines. Season's greetings and best wishes for 2017!

# IT WON'T BE LONG: Next call will launch in autumn 2017

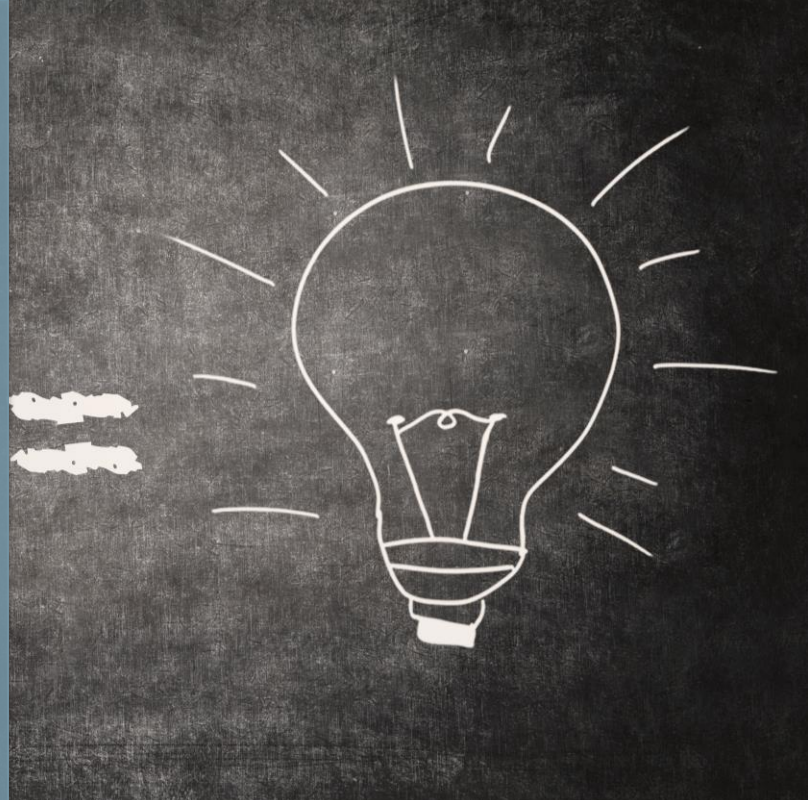

.....

We are planning to launch our third call for project proposals in September 2017. Details of the call will be prepared in spring/summer.

If you already have a project idea, this is the time to start building your transnational partnership.

The Interreg CENTRAL EUROPE Community is a helpful online tool to find relevant new partners.

*Join our project idea community*

# COME TOGETHER: Key events in 2017

.....

Transnational Interreg cooperation  
will turn 20 in central Europe in 2017!

We are planning a public conference to  
celebrate this anniversary and to launch the  
third call. We will also continue to support  
potential applicants and project partners.

*Check our website for updates on events*

# TWIST AND SHOUT: 35 project websites online

.....

Our projects have been busy during the first half year of their implementation.

For updates and more information about what they are doing, have a look at their project websites or follow them on their social media.

*Visit the project websites here*

December 2016

---

Tutorials from the Project Implementation Training (PIT)  
21-22 September 2016 | Vienna | Austria

---

## INTRODUCTION TO PROJECT IMPLEMENTATION (PART 3): PROGRESS REPORTS AND PAYMENT PROCESS

# I SHOULD HAVE KNOWN BETTER: Video tutorials

.....

We have created a series of short tutorials after our project implementation training in September 2016. All video tutorials are now available on our YouTube channel.

We recommend all project partners to watch these in their own time and learn more about sound project implementation.

*Subscribe to our YouTube channel  
and watch the tutorials*

# I WANT TO TELL YOU: Promote project outputs and results on LinkedIn

.....

To facilitate exchanges between thematically related projects and also with external stakeholders we have created a new LinkedIn group dedicated to presenting and discussing project outputs and results.

*Join our LinkedIn group now  
and start the discussion*
