

Second call closes on 23 June 2016

.....

We want to support the best transnational ideas that address challenges across central Europe - related to either innovation, CO2 reduction, natural and cultural resources or transport.

Apply now

Application writing: Video tutorials

.....

Are you preparing a project proposal to apply with us and don't know where to start?
Find out how to develop a sound work plan from our video tutorials recorded at the lead applicant training.

Watch tutorials

Application writing: Presentations

.....

On 10 and 11 May we trained more than 100 potential lead applicants in Zagreb on how to apply with us in the second call for project proposals.

An encouraging award

.....

We recently relaunched our website and it already won 2nd place in a competition of the European Commission. All Interreg programme websites were reviewed by experts according to their design, usability, transparency and result focus. The winning website is from the Interreg Deutschland-Danmark Programme. Congratulations!

Projects we fund after the first call

.....

Following the first call for proposals we are currently supporting 35 projects with around 70 million Euro ERDF. The projects are nearing the end of the contracting phase and are ready to kick-start their implementation.
